

Dear Parents/Guardians,

We have noticed of late a lot of congestion in the *Kiss and Ride* area of the parking lot at both beginning and end of day.

For the safety of all, **IF YOU ARE GETTING OUT OF YOUR CAR TO ATTEND TO YOUR CHILDREN, PLEASE PARK YOUR CAR IN AN ASSIGNED PARKING SPACE**; the Kiss and Ride is meant as a "*1 minute, jump and go for students*", and not for parents who need to leave their vehicle to assist their children.

Thank you for your cooperation, Shelley Adair.
