

June 2018

Dear Parents and Kids:

Another summer of fun is just around the corner at the Peterborough Public Library with great free programs, cool crafts, awesome prizes and lots of things to see, read and do.

TD Summer Reading Club is Canada's biggest bilingual summer reading program for kids of all ages, interests, and abilities. This year's theme is "Feed your passion and excite your mind!" All summer long we will be encouraging children to continue to read and motivating them to visit their local library.

The official kick-off of the Summer Reading Club will be on Tuesday, July 3rd. There will be a special storytime, followed by a children's book sale hosted by the Friends of the Library in the FOL Community Room. Watch out for a surprise character visit in the morning and LEGO Building in the afternoon. We will be registering kids for the club and handing out **FREE reading kits** during the book sale from 11:00 am – 3:00 pm. For those who can't make it, kits will be available at the library throughout July and August.

Sign up for our **Kids Summer 2018** eBlasts for weekly updates on upcoming programs, tips and tricks, TD Recommended Reads and more. You can also follow us on Twitter, Facebook and Instagram to see what's happening at the library.

For more information, please contact the Children's Area (705-745-5382 ext.2381) or check out our website www.ptbolibrary.ca

Looking forward to seeing you at the library this summer.

Happy Reading!
