Dear Parents,

As the school year comes to a close we would ask that you consider the following regarding next year:

- **If you are moving** and will not be attending St. Catherine in the fall can you **please call the school** at 705 742 6109 and let Administration Assistant Danielle Hannah know your new school! PS We will miss you and wish all the best in your new school!
- **Setting Direction for the 2018 2019 School Year**
 - At this time the school organization is experiencing on-going changes in staffing. I would ask that you be patient with this process as we work towards the best organization to meet the needs of all of our students.
 - As in past years, the **creation of class lists** is an incredibly complex exercise that strives to meets the needs of all the students in the school
 - Criteria for class placements includes, but is not limited to:
 - Special Education needs and program delivery
 - balancing classes with both boys and girls
 - attempting to ensure that students have a friend in their class that they have identified
 - consideration, if possible, is given to students previously in a split class to be placed in a straight grade placement (this is not always possible due to Ministry requirements in class sizes, but we do try)
 - PLEASE TRUST in our professional process, as all placements are an opportunity to grow, learn, experience different styles of teaching and meet new friends; I will not be taking personal requests for specific teachers from parents
 - **Class lists will not be solidified until the first week in September due to our staffing procedures set out by the Ministry.**
 - **I will do my best to provide the school organization with the report cards when they are distributed on Tuesday, June 26th 2018, but please be advised that it may not be final.**

Thank you in advance for your trust and support in this process. God Bless, Shelley Adair.
