Principal's Message:

Welcome to February and the end of our first term of the school year. Please be advised that REPORT CARDS will be coming home with your child/ren on Tuesday, February 14th (Happy Valentine's Day) and we will receive parents for interviews on the evening of Thursday, February 16th 2017. All teachers will be sending information regarding available Interview times in the coming days. PLEASE NOTE: We will NOT be using the online system for this set of interviews.

Congratulations to all of our school teams that have represented us in competitions in Volleyball, Basketball and Cardboard Races. Well done team!

Thank you for all your support of our school family. We all appreciate it!

God Bless, Shelley Adair.

Allergy Alert McDonalds:

As a "peanut aware" community, we want to highlight the recent changes to the McDonald's Menu which is no longer "peanut free." More details here: <http://www.theglobeandmail.com/life/health-and-fitness/health/customers-are-not-loving-mcdonalds-nut-allergy-decision/article33712349/>

We are an allergy aware community. We have students with life-threatening allergies to peanuts, tree nuts, citrus and other allergens. Please take this into account when planning your child's lunches.

Board Strategic Priorities Survey

Please take the five to 10 minutes required to answer the survey and give us valuable feedback and data as we plan for the next three years. This survey will remain live until Feb. 24, 2017 and allows you to give very specific input on our Strategic Vision and our current five Strategic Priorities.

Do you have an extra pair of skates?

Junior skating will begin on February 16th and all Grade 4, 5 & 6 students will skate each Thursday afternoon. If your child does not have skates, we have only a few pairs here at the school that have been previously donated. The sizes are: Girl's 3 & 4, Boy's 1, 2, & 3.

If one of these would fit your child, please contact your child's teacher to see if they're still available. If not, we suggest that you try to borrow from friends and family if you'd like your child to participate.

If anyone has skates that they would like to donate to the school, we do keep a small supply on hand and would appreciate a few appropriately sized pairs.

Thank you!
